

Amazon Festive Operating Planning 2017/2018

If you are using the Amazon consolidation service then Palletline have issued the following guidance for all Vendors.

This information will help you manage your 'on-time compliance window' and avoid any late delivery issues.

The last days for inputting freight for delivery before Christmas to all Amazon FC locations are:

Economy (48 hour) service Wednesday 20th December 2017

Next day service Thursday 21st December 2017

Bookings for deliveries throughout Christmas and the New Year period must be advised to us by 10am on Thursday 21st December 2017 so that times can be allocated and confirmed. The Amazon bookings team will then not be available until Tuesday 2nd January 2018.
